# Terry Donaldson (1945– October 2018)

Our Chairman, Terry would have been a very familiar sight to exhibitors at our show and many of the local obedience shows where he officiated as Chief Stay Steward. Terry volunteered many hours and helped raise thousands of pounds for various charities through his involvement with dogs. At Broadland Dog Training Club, as well as being our Chairman, he took training classes and was always on hand with some words of encouragement or friendly advice. We miss him terribly.

Terry wanted the show to carry on and our chosen charity, Mesothelioma UK is one that he supported. We hope to raise a lot of money for them and do Terry proud. We have a special stakes class in Terry's honour today and we hope that this will be well-supported.

## **DOGS WHICH HAVE WON ANY OF THE FOLLOWING AWARDS ARE NOT ELIGIBLE FOR ENTRY AT COMPANION DOG SHOWS:**

1. Challenge Certificate (or any award that counts towards the title of Champion under the rules of any governing body)
2. Reserve Challenge Certificate (Pedigree classes only)
3. Junior Warrant (Pedigree classes only)
4. Obedience Certificate (Obedience classes only)

## **DOGS IN VEHICLES ON HOT DAYS**

Your dog is vulnerable and at risk during hot weather and the kennel Club offers the following guidance travelling to and whilst at Kennel Club licenced events:

- When travelling to a show please take a moment to consider whether the route to the show is on a busy holiday route, and leave earlier to avoid increased time in traffic jams.
- If your vehicle is not air-conditioned seriously consider whether travelling to the show is a good idea at all.
- The vehicle should be as fully ventilated as possible, and plenty of stops should be taken, with lots of water available to drink.
- Ensure your dog is not sitting in full sunlight. There should be plenty of free flowing air around the dog.
- When at the show, never leave your dog in the vehicle.
- Keep the dog in the shade – take your own shade, for example a large umbrella and always have plenty of water available to drink so your dog stays well hydrated.
- Avoid your dog taking part in unnecessary exertion, or from standing in exposed sunlight for extended lengths of time.

Remember, if you feel hot your dog is very likely to feel much hotter and dehydrated, and this could lead to dire results. Please look after your dog's welfare.

**Warning: if your dog is found to be at risk, forcible entry to your vehicle may be necessary without liability for any damage caused.**

Anyone whose dog is entered at a Kennel Club licensed event should take all reasonable steps to ensure the needs of their dog(s) are met, and should not put a dog's health and welfare at risk by any action, default, omission or otherwise. Breach of Kennel Club Regulations in this respect may be referred to the General Committee for disciplinary action under Kennel Club Regulations.

Right to refuse entries. Exhibitors/competitors are reminded that show societies have the right under Kennel Club Regulations to refuse any entry
